Explore ICR on Two Wheels

Be sure to explore communities and events outside of the IgniteICR program! The communities in ICR (Iowa City-Cedar Rapids) have so much to offer and enjoy.

With bikes and scooters available to rent in downtown Cedar Rapids, and bike lanes throughout the ICR region, getting around the community on two wheels is easy and enjoyable. The bike trails are lined with establishments and community art to appreciate as you cruise from place to place.

Get out there and enjoy it! [#IgniteICR](https://www.igniteicr.org)
